New Business:

The County Clerk held an early voting meeting on August 30, 2023 to discuss what partnering with the County for the 9 days of required early voting would look like for 2024. There would be a significant cost savings for the Township if Royalton partnered with the County for the 9 day early voting. The County will apply for a grant after it learns how many municipalities will be partnering with them to help cover election costs. Bernard recommends partnering with the County for the 9 day early voting for 2024. **Motion by Eisenhart to approve the 9 Day Early Voting Resolution that states Royalton Township will partner with the County for the 2024 early voting.**
